

**Foundation for Cross-Connection Control
and Hydraulic Research**

a Division of the University of Southern California

RETEST INFORMATION

To retake the USC exam we require that you notify the USC Foundation office (866) 545-6340 prior to the scheduled exam date. **WE DO NOT ACCEPT WALK-INS.**

NOTE: IF YOU WOULD LIKE TO PRACTICE BEFORE THE RETEST DATE WE ENCOURAGE YOU TO CONTACT THE USC FOUNDATION LAB AT (323) 662-3536 AND SET UP A DATE TO PRACTICE ON THE ASSEMBLIES.

Written Exam, Part A—Those passing Part A of the written examination will not be required to re-take Part A. Those not passing Part A will be required to re-take Part A as well as Part B (the diagnostics section) of the written exam and the hands-on exam.

Written Exam, Part B (diagnostics)—Those passing both parts of the written exam will not be required to re-take either Part A or Part B of the written exam. Those not passing Part B of the written exam (diagnostics) will be required to re-take Part B of the written exam and the hands-on exam.

Hands-on Exam—Those not passing any portion of the hands-on exam will be required to retest all portions of the hands-on exam (RP, DC, PVB, and SVB).
