

# Foundation for Cross-Connection Control and Hydraulic Research

a Division of the University of Southern California

## RETEST INFORMATION

To retake the USC exam we require that you notify the USC Foundation office prior to the scheduled exam date.  
We cannot accept walk-ins.

NOTE: IF YOU WOULD LIKE TO PRACTICE BEFORE THE RETEST DATE WE ENCOURAGE YOU TO CONTACT THE  
USC FOUNDATION LAB AT (323) 662-3536 AND SET UP A DATE TO PRACTICE ON THE ASSEMBLIES.

---

To successfully complete the USC Foundation's *Course for the Training of Backflow Prevention Assembly Testers*, attendees must receive a passing grade on each of the following portions of the final exam: written Part A, written Part B and hands-on. Attendees are welcomed to retake any or all portions needed to receive a passing grade for up to 12 months after initially taking a USC Foundation training course.

---
