

**Foundation for Cross-Connection Control
and Hydraulic Research**

a Division of the Viterbi School of Engineering

RETEST INFORMATION

All training course attendees are eligible to retake the exam for up to 12 months after initially taking a USC Foundation training course.

To retake the USC exam we require that you notify the USC Foundation office (866) 545-6340 at least 48 hours prior to the scheduled exam date. WE DO NOT ACCEPT WALK-INS.

NOTE: IF YOU WOULD LIKE TO PRACTICE BEFORE THE RETEST DATE WE ENCOURAGE YOU TO CONTACT THE USC FOUNDATION LAB AT (323) 442-0470 AND SET UP A DATE/TIME TO PRACTICE ON THE ASSEMBLIES.

EXAMINATION

Only those portions of the written and/or performance exam* that have not been passed will need to be retaken.

*Performance exam - Those not passing any portion of the performance exam will be required to retest all portions of the performance exam (RP, DC, PVB and SVB)
